A similar recommendation in

grounds that the Mcl had been re-
got an increment to his pay and the
the financial condition when the Mcl
was not been prosperous. The same
commendation is now made for con
deration as a special case on
following grounds

Subject Proposal of the Shimoga Town Municipal Council for payment of Personal Allowance of Rs 5/- P M to N Subba Rao, Vaccinator of the Municipality

---

In forwarding herewith an original letter No C2 -39/43-44 dated 14th October 1943, received from the President, Town Municipal Council, Shimoga, on the above subject I have the honour to state as follows -

2 N Subba Rao, Vaccinator on a pay of Rs 30/- P M Shimoga Town Municipality submitted a representation to the local Municipal President for grant of Personal Allowance at Rs 5/- P M in consideration of the extra vaccination work devolved on him

3 The Municipal Council considered the prayer of the official at its meeting held on 2 -8-1943, when a resolution was passed to the effect that the Vaccinator might be paid a Personal Allowance of Rs 5/- P M in consideration of the satisfactory work which was also heavy in volume From the records it is seen that on a previous occasion when a similar recommendation was made to Government in the year 1939, the proposal was returned stating that there were no special reasons for grant of the Personal Allowance to the vaccinator, on the score that the vaccinator's pay was raised from Rs 25/- to Rs 30/- only in September 1939, and further that the financial condition of the municipality did not permit of a recurring expenditure of the kind (vide your letter No L 8288/L1 27-40-68 dated 16th May 1941).

4 The Municipal President states, that after considering all the aspects, mentioned in the letter referred to above, the Municipal Council Shimoga has passed the present resolution recommending the grant of the Personal Allowance of Rs 5/- P M to the Vaccinator

From the statistics furnished, it is seen that the population of this town has increased to 27,733 as per the latest census of 1941 The President adds that the increased population with the gradual expansion of the town has devolved additional and increased work on the vaccinator It is stated that even during epidemic seasons, the official had worked single handed both day and night to combat the spread of the disease

The Municipal President states, that if an additional vaccinator has to be appointed or the services of the District Board Vaccinator have to be availed of, to cope up with the increased work, it would entail an additional expenditure of Rs 30/- P M In order to minimise the expenditure, he accordingly recommends that the present Vaccinator M Subba Rao, might be paid Personal Allowance at Rs 5/- P M with effect from 1st September 1943

The extra cost of Rs 50/- during the current year 43-44, will be met from the closing balance at the credit of the Municipality

5 It will be seen from the President's report that the Vaccinator has performed vaccinations as noted below -

1940-41	-----	3484
1941-42	-----	6411
1942-43	-----	5018

This is really a very good record for a vaccinator and deserves to be recognised substantially

6 In these circumstances, I recommend that sanction of Government may kindly be obtained to the proposal of the Shimoga Town Municipal Council, for payment of a Personal Allowance of Rs 5 P M to M Subba Rao, Vaccinator of the Municipality with effect from 1st September 1943, as a special case

I have the honour to be,
Sir,
Your most obedient servant,
for Deputy Commissioner,
Shimoga District
